

Instructional Technology Initiative

1:1 Pledge

I Will...

- Use my device to explore, be creative, problem-solve, and have fun learning!
- Respect my device.
- Keep my device out of sight when going to and from school.
- Use my device to enhance my learning.
- Be a good digital citizen and follow rules at home and at school when using my device.
- Check with my teacher before downloading apps or content onto my device.
- Let my school know *immediately* if my device is lost, stolen, or damaged.
- Communicate kindly and responsibly with others.
- Protect my own and other people's private information online.

I Will Not...

- Leave my device unattended without securing it.
- Take my device out of its case or cover the labels on the case.
- Lend my device out or share my passcode.
- Eat or drink while using my device.
- Take a photo or video of anyone without permission.
- Change or delete District settings on my device.
- Take credit for other people's work.
- Remove any apps that came with my device.
- Tolerate cyber-bullying!
